Carolsmith649@aol.com

I was born in Paignton, Devon, and started my career in the Police Force with the Devon and Cornwall Constabulary, eventually moving to the Wiltshire Constabulary. Afterward, I transitioned into the role of Operational and Business Contact Manager at Thameswater, before concluding my career as a Business Manager and Governance Lead in the NHS. I now teach Bridge both locally and on cruise ships. I have been a member of Ogbourne Downs Golf Club for several years. I find great pleasure in playing golf, whether it's in a friendly setting or representing the club.

If you need to talk to me about any issues, please feel free to contact me.
